LOCAL LADY HURT IN EASTERN CITY

Miss Ethel Delzell Struck Down by Auto at 116th and Broadway but Luckily Escapes Serious Injury

BROTHER'S LIFE IS IMPERILED

Dr. William Delzell, with 74 Others, Stranded on Vessel on the Atlantic Coast

Miss Ethel Delzell, daughter of Prof. and Mrs Jas. E Delzell of this city, who is attending Columbia University in New York City, was struck down by an automobile on the streets of New York City on Friday night of last week and suffered a severe shock and numerous bruises Her cousin, Miss Roxy Erb of Gothenberg, Neb., who is also a Columbia student and was with her at the time, was also an accident victim and suffered minor injuries

The accident occurred as the two women in company with Miss Bessie M Allen, head of the home economics department at the State Normal in this city and attending Columbia while on a leave of absence from the local school, were crossing at the intersection of 116th street and Broadway They were returning to their rooming apartment after attending an evening entertainment The three women are roomers at the same place in New York

Badly Shaken Up

Miss Delzell was thrown to the pavement and rendered unconscious by the force of the moving automobile as it struck her She was badly shaken up and bruised all over her body No bones were broken Miss Erb suffered a scratch on the back of her head but otherwise escaped uninjured Miss Allen was a step behind her companions and hence escaped injury, the car narrowly missing her

Immediately following the accident the driver stopped and assisted the injured ladies to his car then taking them to their rooming place Miss Delzell was confined to her bed for a number of days until she recovered from the shock occasioned by the accident

Brother in Trouble

Last week proved more or less a "hoodoo" for members of the Delzell family Not only Miss Ethel Delzell featured in an accident, but her brother, Dr William Delzell, experienced a thrilling adventure which he will not soon forget

Dr Delzell has been in Panama with a government medical party for the past four weeks and a week ago Sunday the party sailed on its return to the United States. After being out from Cuba for three days the vessel upon which the men had taken passage was compelled to return to the Cuban port as it had sailed with the wrong clearance papers

Starting out again after the return on the third day at sea the boat struck a sand bank where it was stranded for nearly four days The party on board was finally transferred to the "Alliance" on the fourth day and the latter vessel then started on the trip to New York City

Passengers Imperiled

On Thursday of last week, as the Alliance was passing along the coast opposite Atlantic City, the ship went aground during a heavy fog and the lives of its 75 passengers were imperiled for six hours The Alliance pounded on the shoals 1,500 feet off the board walk which skirts the Atlantic ocean at that point, and finally taking advantage of a favorable shift of wind pulled free The vessel had been caught along a nest of shoals Coast guards were near at hand during the time the ship was stranded. At 10:30 at night the Alliance was again on its way with its wireless apparatus apparently undamaged An aviator flew out over the vessel when the blast of the whistle was first heard which brought the news that the steamer was aground The vessel had been running on "dead reckoning" for three days and was 15 miles out of its course

Finds Sister Injured

Arriving in New York Dr Delzell "called up" his sister, expecting to take her out to dinner He then was told of the accident in which Miss Delzell had been injured and that she was confined to her bed

FIGHT ENDS IN COURT

Tussle on Square Stopped by Officer Falkiewicz—Principals Pay the Costs

A fistic battle between two men on the public square at 4 o'clock Friday afternoon came to an abrupt ending when Officer Frank Falkiewicz promptly took the two principals into custody They were Frank Gorksi of Hull and Bernard Falkiewicz of this city, the latter a nephew of Officer Falkiewicz The men became engaged in an argument near St Peter's church in the Fourth ward and when they had reached the square their differences had not yet been settled and words no longer proved strong enough in settling the argument

Arraigned in municipal court before Judge J A Murat this morning each paid costs of $3 70 A $5 fine was suspended, it being the first appearance of either defendant in court

It is seldom that two sober men get in a fight and the case of Friday was the first which has gone into court since prohibition became effective in July

MOLDY SILAGE FATAL TO VALUABLE COLTS

Meehan Farmers Suffers Heavy Loss When Animals Eat Spoiled Fodder—Is a Lesson for Others

East Meehan, December 6—Frank Winkler, one of Meehan's most successful farmers, had the misfortune to lose a span of three-year-old heavy draft colts last week, and his experience may save other farmers from suffering the same loss in a like manner. A small amount of moldy silage had been thrown from the silo into the barnyard and the colts ate a small quantity of it, one dying within a few hours and the other living a couple of days. Mr. Winkler's loss is about $600. The colts were just being broken to begin work next spring.

THE REASONS FOR THE CLUB

To provide a way for those of moderate and even small means to bank their money.

To teach "the saving habit" to those who have never learned it.

To give young folks a practical education about money—by showing them that if they give up the little things they want today, they can get the big things later.

To give you a "bank connection" and show you how our bank can be of service to you.

WHO GETS THE MONEY YOU EARN?

Money spent is money gone—Money Banked is money SAVED.

It isn't the money you make that counts, but the money you save, and there is no better way to acquire a bank account than by joining our Christmas Banking Club.

Ask any wealthy man how he "got his start"—he will tell you that he saved and banked his money.

Get your start. Get it today. Come in and join our Christmas Banking Club.
